Key Deliverables

LearnHub

1. Conducting **Employability Skill Programs** for 1st, 2nd Year Batch of students
2. Training to be delivered over Semester I, II and III for the academic year 2021 – 2024
3. 30 students in a batch for individual attention and better interaction.
4. Conducting assessments of students on multiple skills as mandated by the modules prescribed in the **Employability Skill Programs**
5. Show 10% to 20% improvement in Post-intervention scores for each student.
6. Conduct additional classes for students who do not show required improvement with a nominal fee for extra classes to drive seriousness of learning.

MCA dept.

1. Coordinating and cooperating with '**LearnHub**' and its respective faculty/staff.
2. Monitoring & Ensuring 100% attendance for all students for the **Employability Skill Programs**
3. Reverting if any special help required to hand hold a particular student with respect to the analysis conducted or observed.
4. Providing required infrastructure for conducting the training like Classrooms, Projectors, and Mike etc.
5. Providing the agreed number of class hours per day or week throughout the duration of the project.
6. We would especially like to emphasise on the requirement to establish a strong need for this program by addressing the students both orally & through a written circular (if necessary)
7. Providing prompt payment as per the agreed commercial terms. This would go a long way in ensuring that the interest & commitment of the trainers is retained.
8. We would be delighted if participation & performance in this project is made mandatory as qualifying criteria for the students to participate in the campus placement initiative of BLDEA. (Suggested/optional)
