- c. the Universities agrees to apply for funding through different exchange programs and mainly through EU Socrates Erasmus, Leonardo da Vinci, Mundus, Marie Curie, etc;
 - d. participation in double coordinated PhD programs and academic juries for PhD and Master programs;
 - e. exchange of academic/teaching materials, research reports, publications etc.;
 - f. additional activities which might be separately agreed.
2. Both parties will make every effort towards the development and implementation of research projects, which are of mutual interest. In the field of research the Universities agree to apply for funding through different research programs and mainly through EU Research Frameworks, etc. The Universities will organize joint scientific workshops, seminars and will encourage the participation of their staff in scientific events organized by the partner University.
 3. The detailed content of above activities will be decided by mutual agreement every year. In order to finance the activities, both parties should consider all possible sources in their own countries.
 4. Ownership of intellectual property resulting from the joint activities will be shared by the parties proportionally to their involvement.
 5. The content of the statement can be modified by mutual agreement at any time.
 6. The statement of cooperation is valid for 5 years from the date of signing and may be extended by mutual consent after the expiry date. The agreement can be terminated at any time by mutual decision.
 7. This statement is written in both English and Polish languages. Both versions have the same effect.
