**CLAUSE 1
SCOPE OF MOU**

Epitome Circuits, Bengaluru, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of – *ELECTRONICS, Electronic Design Automation (EDA) tools, Very Large Scale Integration (VLSI)* and related fields. The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

- **Industrial Training** : Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to involve in Industrial Training Programs for the First Party.
- **Research and Development**: Both Parties have agreed to carry out the joint research activities in the fields of *ELECTRONICS, Electronic Design Automation (EDA) tools and Very Large Scale Integration (VLSI)*.
- **Skill Development Programs**: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- **Faculty Development Programs**: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- **Placement of Trained Students**: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for students.

**CLAUSE 2
INTELLECTUAL PROPERTY**

Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

**CLAUSE 3
VALIDITY**

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Epitome Circuits, Bengaluru**, the Second Party, as

case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner or Industry**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 4
RELATIONSHIP BETWEEN BOTH PARTIES

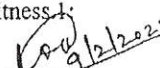

It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

AGREED:
