PRINCIPAL  
BLDEA's, Vachana Pitamaha Dr. P. G. Halakatti  
College of Engineering & Technology,  
VIJAYAPUR-586103 (Karnataka)

- c) Provide latest development information in the field of EEE to update faculty and students on connected to subject matter.
- d) Provide information on addition of industry requirement specific topics in curriculum periodically over the tenure of MOU.
- e) Arrange talks by experts in relevant subject matter of EEE or Industry specific matters.
- f) Suggest improvement of laboratories and hands on experiences methods for Faculty and students.
- g) Conduct orientation workshops for students and faculty periodically over the tenure of MOU.
- h) Conduct communication and presentation workshop for Faculty and students periodically over the tenure of MOU.
- i) Any other specific requirements limited to the scope of availability of the MOU partners.
- j) Provision of off-site Internship may be provided on selective basis for the Students of the Department.
- k) The task of the interns is checking equipment developed and assist in field trials.
- l) As a part of their internship they need to be on field testing these equipment both for technical and utility parameters.
- m) On field testing which is an important of the internship is called as off site Internship.
- n) Kindly note we have certain screening parameters for interns and generally we prefer students who have larger application knowledge than just subject Knowledge.
- f) We have students from several countries that do internship with us and them. They may also have joint internship with your students.
