

MEMORANDUM OF UNDERSTANDING (MOU)

between

Department of Civil Engineering
B.L.D.E.A's V. P. Dr. P.G. Halakatti College of Engineering and Technology,
Vijayapur
(Herein referred as first party)

and

VANS Chemistry Pte Ltd.,
21 Bukit Batok Crescent #27-81, WCEGA TOWER,
Singapore 658065
(Herein referred as second party)

The first party is represented by the Department of Civil Engineering of B.L.D.E.A's V. P. Dr. P.G. Halakatti College of Engineering and Technology, Vijayapur with Under-Graduate program in Civil Engineering and Post-Graduate programs in Structural and Environmental Engineering.

VANS Chemistry, the second party is an Integrated and Unique E-Resource (e-Waste) Recycling Company in Asia Pacific head quartered in Singapore. The company has an operating unit in Bangalore, India, which has successfully introduced the latest technology developments and innovative business model into an industry otherwise operating in the unskilled and unregulated sector.

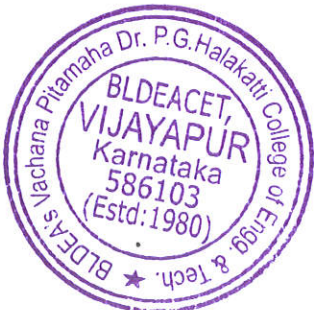

The two parties here to agree as follows:

1. Both the parties will designate a representative from its side who will be the primary point of contact on behalf of the party.
2. This MOU is between the parties for mutual benefit, research and to generate awareness among students regarding E-waste management.
3. The second party agrees to provide Entrepreneurship training program to the under graduate and post graduate students.
4. The second party agrees to assist the students and faculties in visiting the E-waste management facility. The expenses incurred during the visits are to be borne by the students.
5. The first party has the right to select the students for the training and visit.
6. Under mutual consent the second party agrees to assist the first party in management of E- waste generated at their Institute.
7. This MOU is valid for a period of 5 years from the date. If not renewed or amended in writing the same will be considered as expired or terminated.
