“By cultivating the beautiful we scatter the seeds of heavenly flowers, as by doing good we cultivate those that belong to humanity.”
 — Vernon Howard

Change is already in the air. Students and institutions are evolving, to assimilate advancements and prepare for the times ahead. Good colleges enable students to follow flexible pathways where learning happens through four channels - core academics, external experiences, student-driven activities, and hostel life. Students are no longer strictly bound to the department where they enrolled in their first year and can find their passion in due course. There are options for minor courses and specializations across disciplines in their institutions. External experiences like internships in industry, academia, research institutions, and start-ups add value to a candidate’s capability list. Many students participate in sports, cultural, literary, and fine arts related areas where they are able to flourish their talent and polish their communication and networking abilities.

Some take up important social causes, mostly related to education of the underprivileged. Personality development happens in the hostels, where they find avenues to imbibe life skills like independent living, participatory self-governance, democratic processes, financial management and leadership. Human beings are often unaware of the potential and power of the heart, head and inner spirit. This needs constant cultivation in a fast-paced programmed world. Nourishing the left and right halves of the brain is essential for intellectual-emotional balance and for replenishing the mind’s fertility. Making sure that one remains human is a critical trait that needs serious attention throughout. It is a foundation without which wrong choices may be made in life. The future of society is not as much dependent on whether machines will become human-like but more on whether humans will become machines.

INAUGURATION OF CENTER OF EXCELLENCE IN NOISE, VIBRATION, ENERGY HARVESTING AND IOT

Dr. Karisiddappa, Vice-Chancellor, VTU, Belagavi, inaugurated the Center of Excellence in Noise, Vibration, Energy Harvesting, and IoT at BLDEA's V P Dr. P G Halakatti College of Engineering and Technology recently. After going through the facilities, the Vice-Chancellor expressed his happiness and satisfaction over the development of interdisciplinary facilities for the utilization of faculty and students.

The Center of Excellence has been established in the Department of Mechanical Engineering with a grant of INR 70 lakhs provided by Vision Group on Science and Technology (VGST), Govt. of Karnataka, Bangalore and VTU, Belagavi. The faculty in charge of the center Dr. Pradeep Malaji and Prof. M I Sakri, briefed that the center of excellence will provide Industry 4.0 skills to students in the field of energy harvesting for Micro Electro Mechanical System (MEMS) sensors, Internet of Things (IoT), Artificial Intelligence and Digital Twin Technologies in collaboration with Universities and Industry from India, UK, Europe, and US. Dr. R N Jeergal, Head of the Mechanical Engineering Department, told that the department is well equipped to train the students in Industry 4.0 and make them employable. Principal Dr. V G Sangam mentioned that the institute is well equipped with Centers of Excellence/ Centers of Competence labs with the support of industries to ensure that the students shall learn industry-relevant skills beyond the curriculum.

AYURVEDA AWARENESS PROGRAM

Ayurveda Awareness Program as a Part of Azadi Ka Mahotsav Celebrations of Ministry of AYUSH, Govt. of India was conducted at BLDEA'S VP DR P G HALAKATTI COLLEGE OF ENGINEERING AND TECHNOLOGY AT VIJAYAPUR on Monday 7th March 2022.

Speaker: Dr. Sanjay Kadlimatti, Principal of AVS Ayurveda Mahavidyalaya and Hospital, Vijayapur

Topic: Ayurveda for Healthy Living

Objectives:

1. To create awareness about Ayurveda Diet, Lifestyle, and Therapeutics in various schools and colleges.
2. To popularize Ayurveda as a Basic Health Care System among Indians.
3. To educate the common public about the importance of Natural, Safe, and Cost Effective Home Remedies

This program was a grand success with participants more than 200. Many faculty members and students were enlightened with Astonishing speech by Dr. Sanjay Kadlimatti. We are very fortunate that Ayurveda College is doing fantastic work in health science which unfortunately, not being used by us as well as Bijapur citizens. We must take advantage and get benefit of Ayurveda being a very simple and guaranteed medical treatment and lifestyle. Dr Sanjay Kadlimatti sir and his profound knowledge and experience that has gained popularity internationally.

75th Independence day Celebration

The Independence Day of India, is celebrated throughout the Country on 15th of August every year. On the occasion of 75th Indian Independence Day and 150th birth anniversary of Shri Aurobindo Ghose, an Indian great Philosopher, we celebrated Azadi Ka Amrit Mahotsav to commemorate 75 years of Independence and to celebrate the glorious history of its people, culture and achievements. This time also the Independence Day was celebrated with full patriotism. Various competitions like debate, singing and dancing were conducted from 8th to 13th August. Students of all branches and semester participated in the event. A selfie corner was also created for students and staff to remember the day. The day was celebrated by hoisting the flag by chief Guest Sri Gangadar Heralgi CEO Monocept Hyderabad. Different cultural events like singing, dancing and speech from students of all departments were performed.

ELECTORAL REFORM

Objectives of the program: It is expected that electoral reforms will contribute to better participation of the citizens in electoral practices, reduce corruption and strengthen democracy in India.

By the direction of Principal Dr V G Sangam, 30 students participated in the electoral reform Discussion forum where our students asked questions and given suggestion for the improvement in smooth conduction of the Election process. In this program MLA's, SP,DC and incharge person of Electoral Reform body were present. We are very much thankful to our principal Dr V G Sangam and Vice Principal(Admin) Dr Geetanjali Patil and Vice Principal (R&D) Dr P V Malaji for their constant support.

Events

HAR GHAR TIRANGA

Har Ghar Tiranga is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building.

:By the direction of principal Dr V G Sangam sir 35 students participated in the Har Ghar Tiranga Campaign where our students campaign to know the importance of our flag. In this program, students had been to government schools and poor residential areas and were told the importance of our national flag. Thanks to our principals Dr. V G Sangam Vice Principal (Admin) Dr. Geetanjali Patil and Vice Principal (R & D) Dr. P V Malaji for their constant support.

ಹಬ್ಬೋಣ ಪ್ರಜಾಸತ್ತಾತ್ಮಕ ಗಣರಾಜ್ಯವೆಂಬ ದೀಪವ

ತೊಲಗಿಸೋಣ ನಾವು - ನೀವು ಅನ್ಯರೊಬ ಕಾಮನೆಯ
ಮೂಡಿಸೋಣ ನಾವಲ್ಲ ಒಂದೇ ಎಂಬ ಭ್ರಾತೃತ್ವದ ಭಾವನೆಯ
ಒಂದೇ ತಾಯಿಯ ಮಕ್ಕಳಂತೆ ಬಾಳಬೇಕು ನಾವಲ್ಲ
ಒಂದೇ ಬಳ್ಳಿ ಹೂಗಳಂತೆ ಹಬ್ಬು ಬೇಕು ಮಾತ್ರಲ್ಲ

ನ್ಯಾಯ - ನೀತಿ ಎಲ್ಲ ರೀತಿ ಒಂದೇ ನಾವಲ್ಲ
ನಮ್ಮ ಮಧ್ಯ ಭೇದ-ಭಾವ ಎಂದಿಗೂ ಸಲ್ಲ
ನಮ್ಮ ಬದುಕು ನಮ್ಮ ಬಾಳು ಅದಕ್ಕೊಂದು ವಿಧಾನ
ಸುವಿಸ್ತಾರವಾಗಿ ಹೇಳುವುದನು ನಮ್ಮ ಸಂವಿಧಾನ

ಅದಕ್ಕಾಗೇ ರಚಿಸಿದರೆಂದು ಸಂವಿಧಾನ ಕರೆಡು ಸಮಿತಿ
ಗಣ್ಯ ಮಾನ್ಯರಲ್ಲ ಸೇರಿ ಹೇಳಿದರಲ್ಲ ನ್ಯಾಯ ನೀತಿ
ನಮ್ಮ ದೇಶ ನಮ್ಮ ಜನರ ಹಿತವು ಅದರ ಧ್ಯೇಯವು
"ವಸುದೈವ ಕುಟುಂಬಕಂ" ಎಂದು ಹೇಳುವುದು ನಮ್ಮ ಸಂವಿಧಾನವು

ಸಂವಿಧಾನ ಕೊಟ್ಟಿರುವುದು ಎಲ್ಲರಿಗೂ ಸ್ವತಂತ್ರ
ನಾವಲ್ಲ ಒಂದೇ ಎನ್ನುವುದೇ ಮೂಲ ಮಂತ್ರ
ಇಲ್ಲಿ ಹುಟ್ಟಿರುವ ನಾವಲ್ಲ ಧನ್ಯ
ನಮ್ಮ ಸಂವಿಧಾನ ನಮಗಂದಿಗೂ ಮಾನ್ಯ

Poem Recitation on the occasion of Constitution Day- 2022

Mrs. Bhagyashree Patil, Instructor, Department of E&C, BLDEACET

Poem recitation by Mrs.B.R.Patil at online Poetry Concert on the occasion of Constitution day.

Achievements

Ms. Shabana Nadaf, student of 4th semester M.Tech Environmental Engineering presented a paper titled "Determination of Reaction Rate Constant & Ultimate BOD of a Dairy Waste Water" in the International Virtual Conference on "Smart and Sustainable Development of Urban Green Infrastructure in India and Canada" organized by National Institute of Technology Tiruchirappalli from 25th to 26th March 2022. Her work was guided by Mrs. Asha S. Arwikar.

Two students of 6th semester Civil Engineering Department, bagged prizes in "SHELTER 2022", a National level student Technical Symposium on 28th March 2022 at Siddaganga Institute of Technology, Tumkuru.

BLDEA'S VP DR. P. G. HALAKATTI COLLEGE OF ENGINEERING & TECHNOLOGY, VIJAYAPURA.

DEPARTMENT OF ARCHITECTURE

WORLD HERITAGE DAY

Guest : Shri. Vijay Mekkalaki (Commissioner City Corporation, Vijayapura), Shri. Mallikarjun Bajantri, (Deputy Director Tourism Department.) Shri. Rakesh B. S.(Conservation Assistant ASI Vijayapura.)

Date : 25 November 2022.

Venue : Seminar Hall, Main Library, BLDEACET Vijayapura..

The head of the department said that technical collaboration will be provided by the architectural department of BL) for the preservation and beautification of the city's monuments at a seminar organized as part of the World Heritage Week in collaboration with the Department of Architecture of BLD Institute College in the city.

INDUSTRIAL SITE VISIT AT APMC, VIJAYAPURA

Date : 5 November 2022.
Batch : 4th Year 2019 Batch
Topic : Industrial Site Visit
Department of Architecture,
BLDEACET Vijayapura.

INTERIOR DESIGN SITE VISIT INDUSTRIAL AREA NEAR APMC, VIJAYAPURA

To gain experience in building material science. The informative and insightful field trip to industrial site visit which is manufacturing unit through machine technology by the Interior Design Course students.

LOTS OF NEW MACHINERY FOR MODERN INTERIOR DESIGN SET UP

In conclusion, this industrial visit helped the students to understand the visuals and help create functional spaces that can adjust to those specific needs of their clients.

Architecture and its wonders

Research Grants received during 2022:

Dr. Naveen N. Desai (PI), Dr. Ramesh S. Malladi (CoI-1) and Dr. Basavaraju Manu (CoI-2) received a research grant of Rs. 14.50 Lakhs under VTU Research Grants Scheme-2022 for the project proposal “A study of Organic and Inorganic Contaminants removal from Leachate by Photocatalytic nanomaterials”.

·Dr. Pradeep V. Malaji (PI), Dr. Iresh G. Bhavi (CoI-1) and Dr. Rajinderkumar Math (CoI-2) received a research grant of Rs. 8.00 Lakhs under VTU Research Grants Scheme-2022 for the project proposal “Analysis and Development of 3D-Printed meta-structure based broadband energy harvester for IoT System”.

·Dr. Ramesh Jeergal, Associate Professor and Head, Dept. of Mechanical Engineering, received a grant of Rs. 30,000/- from KSTA, Bengaluru to organize an STTP on “Flex Fuel Engines for Future Transportation”

·Dr. Pradeep Malaji, Vice Principal (Academic and Research) and Associate Professor, Dept. of Mechanical Engineering, received a grant of Rs. 25,000/- from KSTA, Bengaluru to organize a workshop on “IoT trends and Applications.

·Dr. M. M. Bachalapur, Chief Librarian and Dr. Kailash S. Chadchan, Assistant Professor of Chemistry jointly received a grant of Rs. 20,000/- from KSTA, Bengaluru to organize a workshop on “Research Publication and Ethics”.

·Dr. Basavaraj Angadi, Associate Professor, Dept. of Mechanical Engineering, received a grant of Rs. 30,000/- from KSTA, Bengaluru to organize an Outreach Programme on “Automation Systems and 3D Printing”

·Dr. Anand Ghuli, Associate Professor, Department of MCA, received a short-term study grant of Rs. 35,000/- from KSTA, Bengaluru for the proposal “Non-invasive EEG signal classification, analysis and recognition of the frontal and occipital lobe to study the degree of short-term memory in subjects’ behavior for medical diagnosis and treatment”.

·Prof. Ravindra Kondaguli, Assistant Professor, Department of Mechanical Engineering, received a short-term study grant of Rs. 35,000/- from KSTA, Bengaluru for the proposal “Thermoelectric generator for Hybrid Electric vehicles”

STUDENT INDUCTION PROGRAM 2022-23

The student Induction Program was conducted for the newly admitted students of academic year 2022-2023 from 01/12/2022 to 10/12/2022. The purpose of the program was to orient the students to the new environment and familiarize them to the college.

The Induction Program was inaugurated by the Chief Guest Dr. M. S. Madabhavi, Secretary, V. P. Dr. P. G. Halakatti Research Centre on 01/12/2022, who briefed the students on how the BLDE Association was established and about the people who gave their life to the growth and development of the association. Principal of the Institute, Dr. V. G. Sangam addressed the students and gave the presidential remark.

As a part of induction program students were given special lectures by the eminent speakers on different topics to keep them motivated. Lectures on Language proficiency modules, Health awareness and Food habits and Universal Human Values were also arranged for the students. To keep the students fresh and to make them aware about the importance of physical fitness a session on Yoga was also organized. Based on the interest of the students, they were made to register and participate in various sports and cultural activities.

VISION OF THE INSTITUTE

To emerge as a widely acknowledged centre in technical education and research to cater the need of society with a futuristic outlook.

MISSION OF THE INSTITUTE

M1: To enrich students with the essence of science and engineering knowledge, professional ethics and social values.

M2: To instill creativity and research temperament to reach the greater heights of professional Success.
