

AFTERMATH OF THE PARENTS MEET 2017-18

After the Parents Feedback analysis it was noted that two points were having poor percentage,

- Point 5th – Departmental Encouragement towards extracurricular activities – 12.5 % poor

During the meet HOD madam highlighted the details of numerous students who were involved in extracurricular activities and have achieved prizes in various other colleges and events. Some of the parents who's ward were not actively involved expressed these opinion.

- Point 8th – Effort made by the Department towards Placement – 18.75 %

The Placement Co-ordinator has been putting extra effort for the placement of Civil Engg. Students and as a result 7 students have been placed and more are expected to be placed.

AFTERMATH OF PARENTS MEET-2017

1. Parents expressed their concern over the problem of receiving performance status of their wards through sms.

Academic Co-ordinator communicated to the parents that the software being in the development stage, was facing certain problems and he assured that it will be rectified at the earliest.

2. Discussions regarding the extensive mobile usage by students in the campus and off-campus was done.

HOD Madam communicated to parents that if any of the student was found using mobile in the class room, the mobile would be confiscated. This decision was supported by the parents.

3. Parents enquired regarding the issue of mark card of pervious completed semesters, which were not made available till date.

Regarding this matter HOD Madam asked them to communicate with the examination section and VTU.

4. Parents expressed that their wards require Industrial exposure and asked the Department to work on it.

Regarding this matter HOD & Academic Co-ordinator communicated to the parents, since last 3 years the Department along with ACCE is organizing Campus to Construction Internship Program. But it has been observed that the student's participation in this internship is reducing due to their lack of interest.

5. Some of the parents expressed their satisfaction regarding the overall growth of their wards due to the effort of the Department.

ACTION TAKEN REPORT

Based on the feedback analysis, it has been observed that parents feel that,

a) **(5th point)** - Students are less encouraged for extracurricular activities.

The department is always encouraging students to participant in all types of extracurricular activities and as a result of it, many of our students have excelled in different activities and which has been briefed during the parents meet.

b) **(6th point)** – Counseling (Mentoring)

For each staff members 20, 25 students assigned to each staff members for mentoring. Separate time slot has been allotted in the time table of even sem 2017-18. Students are informed to meet the mentors and interact with the staff about their academic & personal problems.

c) **(8th point)** – Effort made by the department towards placement

Our department is making efforts to place the students in reputed companies.

Pre placement training & workshops are conducted regularly.
