

Introspection of Parents Feedback

Parents Meet-2018 was held on 22nd September 2018 and the feedback collected in the meet was analysed and the points noted were,

Parents felt that Department needs to encourage the students in extracurricular activities and need to organise more of guest lecturers, training program and sports.

Though Department had organised many programs it was observed that students are not informing the parents regarding the events conducted in the Department. In the Parents Meet it was decided to send messages to Parents through Counsellors.

All the activities organised in the Department has been listed below,
