Action Taken Report - Teachers Feedback (2017-18)

Date: 15th June 2018

Feedback Summary:

The teachers' feedback for the academic year 2017-18 highlighted the need for more faculty development programs, improved infrastructure for laboratories and enhanced student engagement in classrooms.

Actions Taken:

Faculty Development Program: Conducted regular workshops and training sessions on innovative teaching methodologies, effective use of technology in the classroom, and research-oriented approaches to enhance faculty skills.

Laboratory Upgradation: Invested in modernizing laboratory equipment and facilities to provide students with better practical learning experiences and support faculty in delivering hands-on experiments.

Student-Centric Activities: Introduced interactive learning sessions, group projects and seminars to encourage active participation and engagement among students during lectures.
