The management and IQAC has developed a 360 degree perspective plan within the system as a guideline for the decentralized committees and those decentralized committees. Some of the salient features of the plan are,

1. Enhance Research culture
2. Enhance engagement with Industry
3. Enhance Alumni engagement
4. Adopt Academic Autonomy and Industry oriented Curriculum
5. Enhance value added courses
6. Enhance placements
7. Enhance interaction with society
8. Create the environment for interdisciplinary projects
9. Adopt diverse student learning environment.

In line with these motto, the following features have been adopted,

1. Establishment of Centers of Excellence (at least one in each department) to deliver add-on courses to students in emerging areas. Bosch-Rexroth Centre has been established at a cost of Rs. 1.25 Crore. Intel-FICE Embedded Systems Laboratory at a cost of Rs. 5.00 Lakh are just a few centers to name.
2. Research funds (as seed money) are being provided to prospective young faculty members to start research in upcoming areas of science, engineering, and technology.
3. Fee-waiver scheme for meritorious student.
