Action Taken Report on Programme Exit Survey or Students Satisfaction Survey (SSS) on Teaching Learning & Infrastructure (2019-20)

| Sl. No. | Queries /Difficulties/Issues faced by students | Concerned dept/ Section | Action Taken | Follow Up if any |
|---------|--|--|--|------------------|
| 1 | Placement training should be started from the 2 nd year only | Placement Cell | <ol style="list-style-type: none">1. A comprehensive plan for training and placement activities is prepared and the training has started from second year.2. Company specific training programs are already organized for eligible students and shall continue.3. Thrust will be given to place Non-IT branch students in good companies.4. Mentors are involved in providing career guidance, and help mentees to earn industry relevant certificate courses, and are informed actively.5. Modern innovative teaching-learning methods will be used by teachers to effectively teach the critical subjects. Time: Immediately | |
| 2 | Attention to be drawn more towards placements and campus interviews. I think there is a minimal visit of industry people to the Institute. Student lacks information about what IT sector needs from candidates. Hence there should be clear guidance needed in this regard. | Placement Cell | | |
| 3 | Everything must be improved, especially Training and Placement | Placement Cell | | |
| 4 | Kindly give more stress on placements please. Mentor all Students personally | Placement Cell | | |
| 5 | Many more things to improve 1) Placement training must start from 2nd year 2) Practical learning 3) No extra activities, courses available 4) We won't get much knowledge of our subject | Placement Cell Internship Academic | | |
| 6 | Maximum placement opportunity for core branches link EEE, Civil | Placement Cell | | |
| 7 | Give some more preference for sports. | Sports | <ol style="list-style-type: none">1. A calendar of sports and cultural activities will be prepared.2. Specialized training programs (if necessary) will be organized by inviting external coaches.3. A separate space for parking is available which shall be maintained regularly. | |
| 8 | Improve the sports department and more essential space in the campus for students to chill in the gap hours. | Sports | | |
