MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING ('MOU') is made at Vijayapur, Karnataka, India on this 2nd day of December 2017 by and between:

The General Manager (Tech.) representing HESCOM, Hubballi and the Principal, BLDEA's V.P.Dr. P.G.Halakatti College of Engineering and Technology, Vijayapur witnesses as follows:

PRINCIPAL
BLDEA's V.P.Dr. P.G.H.
College of Engg. & Tech.
VIJAYAPUR.

Dr. V. G. SANGAM
B.E., M.Tech., Ph.D.
PRINCIPAL
General Manager (Technical)
Corporate Office, HESCOM, Hubballi
BLDEA's Vachana Pitamaha Dr. P. G. Halakatti
College of Engineering & Technology,
VIJAYAPUR-586103 (Karnataka)

The **Hubli Electricity Supply Company Limited**, Hubballi, hereinafter refer to as HESCOM (which form shall mean and include unless repugnant to the context and meaning of the same to mean and include the assigns and successors) of the one part

And

BLDEA's V.P. Dr. P.G. Halakatti College of Engineering & Technology, Vijayapur-586103, herein after referred to as **BLDEA's CET** (which form shall mean and include unless repugnant to the context and meaning of the same to mean and include the assigns and successors) of the other part further witnesses as follows:

HESCOM:

The Government of Karnataka as part of reforms in power sector has unbundled the transmission and distribution activities in the state of Karnataka. As a result, the HESCOM Limited was incorporated on 30.04.2002 under the Companies Act, 1956 (No. 1 of 1956) and HESCOM started operation w.e.f. 01.06.2002. HESCOM came into existence with geographical jurisdiction of 7 Districts comprising of Dharwad, Belagavi, Gadag, Haveri, Uttar Kannada, Bagalkot & Vijayapur with an objective to carry on the business of distribution and supply of electricity more efficiently and economically. HESCOM today is functioning as a commercial entity in pursuance of power sector reforms undertaken by Government of Karnataka, duly represented by its Managing Director hereinafter referred to as "**HESCOM**" which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and permitted assigns);

And WHEREAS

BLDE Association was founded in the year 1910 (and duly registered under the Bombay Registration of Societies act of 1860 in 1914) for the purpose of spreading education on the model of the Deccan Education Society of Poona, in the old Bombay state. The association meant to accomplish the twin objectives by

General Manager (Technical)
Corporate Office, HESCOM, Hubballi-586103 (Karnataka)

starting schools and colleges, instituting scholarships and prizes, by running free houses and hostels for the deserving poor of the Vijayapur district.

The Association in its present form, with the whole complex of colleges of nearly all the facilities clustered in a single campus, its roots and branches extending far into the districts, resembles the mighty Indian Banyan tree. This phenomenal growth has not come through a wave of magic but by the continued sacrifices of a number of philanthropic souls, the unflinching efforts of dedicated band of workers, the social service and motivation of the entire team, old and new, and needless to add the vision and the dynamism of its leadership-Presidents, Chairmen, General Secretaries, past and present.

The BLDE Association has honed and nurtured 75 educational institutions catering to the needs in every stream. With a dedicated staff exceeding 1300 in number, the BLDE Association at present, offers world-class education to over 25,000 students at its sprawling campuses, replete with all the modern, state-of-the-art facilities and amenities.

Continuing its tradition of educational development and achievement the BLDE Association has established the autonomous BLDE University. For the BLDE Association, it is a gigantic stride in terms of offering more customized and specialized educational programs to thousands of talented future professionals, gaining knowledge at its campuses.

College Profile:

Vachana Pitamaha Dr. P.G. Halakatti College of Engineering & Technology, Vijayapur is a premier technical institute located in Northern part of Karnataka on a scenic stretch of land spread over 20 acres in Vijayapur. BLDE Association started the college in 1980 as a private Institute. The Institute is the result of the BLDE Association's recognition of the need for quality technical education in the country. To achieve this objective, it has striven hard to create an environment and infrastructure that enables it to produce qualified, practical engineer who are

ready to face the challenges in the industries. The college is affiliated to Visvesvaraya Technological University (VTU), Belgaum. The college is recognized by AICTE New Delhi and the 4 courses were accredited by National Board of Accreditation (NBA), New Delhi during the year 2005 and 5 courses were accredited in 2015. Presently, the college offers 9 UG and 6 PG programmes in Engineering along with MCA & MBA programmes. Six departments are recognized as Research Centers by Visvesvaraya Technological University (VTU), Belagavi to offer Ph.D. and M.Sc. Engg. (By research) programmes.

Over the years the staff strength and student intake have grown from 25 to 204 and from 120 to 1152 respectively. The student strength on campus is around 3500. The college has excellent infrastructure in terms of building, amenities in IT and other sectors. Institute is having 850 state of art computers and every department is having 2 Mbps internet connectivity and main computer centre is having 16 Mbps internet connectivity. The Digital Library is one of the best in this part of the region. The quality teaching learning process is emphasized by the highly qualified faculty with 18 Doctorates and 157 Post-graduates. We are also committed to provide our students with all that is top-notch in engineering and management fields. The proactive core research activities by faculty have fetched the grant to the tune of Rs. 1 crore and 34 lakhs in the past 3 years from VTU/VGST/AICTE etc. The teaching learning, research and administrative process are quality driven and embellished with continuous improvements to meet the global standard by rigorous adherence to set procedures and exhaustive quality audits.

To quote M.W. Edelman, 'Education is for improving the lives of others and for leaving your community and world better than you found it'. Blessed with the visionary leadership of our beloved President Shri. M.B. Patil. And with the zeal to be in step with the global education scenario, we are sure, VachanaPitamahaDr. P.G. Halakatti College of Engineering & Technology, Vijayapur will continue to march forward in its journey towards excellence.

Training and Placement Cell:

The college is having a vibrant Training and Placement Cell where the students are trained and placed in various industries. Prof. M.U. Nagaraj Placement and Training Officer, heads the in house placement activities.

Library and Information Center:

Libraries are continuing to evolve and are using new technologies to expand their presence as vertical knowledge centres for information sharing communities. BLDE CET Library building is one of modern state of art building in the region with over 1200 e journal subscription and large number of digitized books. The library is also stocked with over eighty six thousand (86,000) volumes and thirty thousand (30,000) titles.

Physical Education Cell:

The Physical Education Cell of the Institute has been very active in promoting different sports in order to bring in overall development of students. Every year sports events are conducted in the college and during annual day celebrations the winners are felicitated with prizes.

Both the parties are interested in having a MoU in Capacity Building/Training Initiatives of officers of HESCOM and R&D and DSM activities in BLDEA's CET for next 5 years from the above-mentioned date.

Now, this Memorandum of Understanding witnesses as follows:

IT IS HEREBY MUTUALLY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

This collaboration between BLDEA's CET and HESCOM will create cooperation to initiate PACE (Program for Academic Connect and Engagement) in BLDEA's CET and R&D (Research & Development)/ DSM (Demand side Management) activities of HESCOM.

Dr. V. G. SANGAM
General Manager (Technical) Contd... Pg. 5/9
Corporate Office, HESCOM, Hubballi. **PRINCIPAL**
BLDEA's Vachana Pitamaha Dr. P. G. Halakatti
College of Engineering & Technology,
VIJAYAPUR-586103 (Karnataka)

Further to provide a platform to build a strong and ongoing relationship between the HESCOM and BLDEA's CET.

The goals of PACE are:

1. To develop and foster strategic linkages between the BLDEA's CET and the technical departments of HESCOM.
2. To understand the needs and expectations of both the institute and the organization and to execute relevant identified activity required to meet the needs and expectations therein.
3. Offering courses of mutual interest to the students and issuing the students certificates jointly, upon successful completion of the course.
4. Identify the area of research and development in Engineering of mutual interest and work on the identified proposals jointly on agreed terms.
5. HESCOM will permit their Engineers and Experts to tender their expertise for the benefit of the students when they are requested for specially focused programs
6. HESCOM will mentor UG students for projects of mutual interest and convenience.
7. HESCOM will promote various activities for overall development of students with present trends.
8. HESCOM will advise institute for achieving program for educational objectives and outcomes to Department of Electrical and Electronics Engineering
9. Exploring and carrying out any other academic activity with mutual consent.
10. Provide exposure to students & faculty members to emerging technologies
11. Help bridge the gap between academia and industry and contribute to education eco system
12. Participate in enhancing knowledge of niche technologies and domain education by partnering.
13. As per the PACE, HESCOM provides its speakers to participate and deliver technical presentations and talks on topics as shall be, jointly, decided by BLDEA's CET, Vijayapur and HESCOM. Such lectures shall either be a part of the curriculum or a value-added knowledge for the students. Further Lecturers

Dr. V. G. SANGAM
D.E., M.Tech., Ph.D.
General Manager (Technical)
Corporate Office, HESCOM, Hubballi.
BLDEA's Vachana Pitamaha Dr. P. G. Halakatti
College of Engineering & Technology,
VIJAYAPUR-586103 (Karnataka)

of BLDEA's CET shall deliver technical presentations to HESCOM engineers on topics jointly decided.

The goal of Research & Development (R&D) of HESCOM is,

1. BLDEA's CET will design and implement the R&D Project with HESCOM.
2. BLDEA's CET will support in Research & Development activities and provide platform for students and HESCOM interaction.
3. BLDEA's CET will extend training to HESCOM personnel on cutting edgetechnologies.

HESCOM will make provision for funding the cost of R&D project activities and extend similar funding support in joint activities.

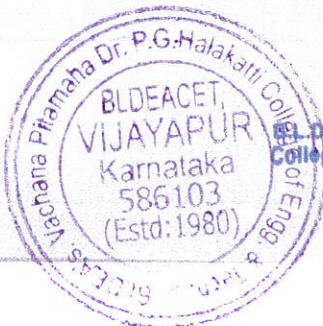

The goal of Demand Side Management (DSM) of HESCOM is,

1. BLDEA's CET will design and implement the DSM Project with HESCOM.
2. BLDEA's CET will support and propagate Energy saving and safety awareness programs and activities in HESCOM geographical areas.
3. BLDEA's CET will extend training to HESCOM personnel on DSM cutting edge technologies.

HESCOM will make provision for funding the cost of DSM activities and extend similar funding support in joint activities.

Internships to students:

In order to impart practical training under PACE, HESCOM shall identify, encourage and support in evolving technical competence in students by providing internships to students during their vacation period between successive semesters. HESCOM shall deploy such interns on specific technical works at their development centers. HESCOM shall evaluate the quality of the work carried out by the interns and award them with a certificate at the end of the internships. Industry-Institute coordinator shall co-ordinate with HESCOM throughout the process including initiation of the internship request at the appropriate time,

selection of students for the internship, overseeing the technical work carried out by the interns and the evaluation of the work carried out by the interns as might be required by HESCOM.

Nurturing Exchange programs:

HESCOM shall foster the industry-institute exchange program with respect to the faculty and industry executives to serve in the organizations on an exchange basis. This shall provide the associates of HESCOM and Institute with cross-learning opportunities. Additionally, PACE will imbibe HESCOM culture amongst students and they will understand HESCOM practices.

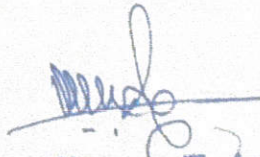

INDEMNITY:

Neither Party will be liable to indemnify the other Party, and/or its employees from and against all costs, claims, demands, liabilities, expenses, damages or losses arising while executing the activities defined in this Agreement or in connection with a Party's negligence or breach of the terms of this Agreement.

CONFIDENTIALITY:

The Parties acknowledge that, in the course of their negotiations under this MoU, it may be necessary for one Party to provide documentation, technical and business information and/or intellectual property, in whatever form recorded (collectively, "Confidential Information") to the other Party. All Confidential Information provided or disclosed by either Party hereunder shall remain the property of the furnishing party, and shall be held in strict confidence by the receiving Party, unless the furnishing Party otherwise consents in writing or unless disclosure of such Confidential Information is required by the applicable laws. Confidential Information furnished by any Party hereunder.
