

## NAAC-DVV CLARIFICATION-2

### 5.2.1 Percentage of placement of outgoing students and students progressing to higher education during the last five years

5.2.1.1. Number of outgoing students placed year wise during the last five years

#### Revised HEI Input:

2021-22	2020-21	2019-20	2018-19	2017-18
464	472	503	481	480

DVV-2 Findings	Response of HEI
<p>1. HEI is requested to kindly note that Multiple Counting of same student in same Academic Session should be counted as one, Please relook and provide correct revise data.</p> <p>2. Kindly note that there is a logical correlation between the metric I.D 5.2.1.2 and 2.6.3.1 so both the data should be matched with each other but here it is not matching so Please relook and provide correct data for all years.</p> <p>3. Kindly provide the list of number of outgoing students year wise during the last five years for metric Id 5.2.1.2</p>	<p>1. Multiple Counting of same student in same academic session is counted as one. But, few students name is same but having different university seat number and mentioned in data template. In 2021-22, 2020-21, 2017-18 there are no multiples but in 2019-20, 1 multiple and in 2018-19, 2 multiple and are cross-marked in supporting documents.</p> <p>2. Kindly note that in metric ID-5.2.1.2, all the outgoing students both regular and backlog are considered, while in metric ID-2.6.3.1, as per NAAC manual, only students without backlogs are considered, hence there is difference in number of outgoing students for both the metrics.</p> <p>3. Provided the list of number of outgoing students with backlogs year wise during the last five years.</p>
