

## Sana Mohammadi .A. Mulla

My goal is to work at an elite educational institution with a cutting-edge learning environment where I can collaborate with others with similar interests and completely explore my own potential. This will enable me to improve my talents and serve all students, no matter how apathetic, with an excellent education.

### Experience

#### **B.L.D.E.A's - Assistance Professor (October 2023)**

Department of CSE(Artificial Intelligence & Machine Learning),
